

Terms and Conditions

Purpose:

These terms and conditions (the "Terms") apply to your use of the blockchain validation service (the "Service") provided by Stakewolle (the "Company"). The Service allows you to participate in the validation of transactions on the blockchains listed on stkaewolle.com and earn rewards for your participation.

Eligibility:

To be eligible to use the Service, you must:

- Be an adult under the laws of your jurisdiction
- Have a valid and active blockchain wallet address.
- Stake a minimum of **0** unless otherwise stated on our website of any cryptocurrency *listed on stkaewolle.com* in your wallet.

Risks:

You acknowledge and understand that staking cryptocurrency carries inherent risks, including but not limited to the potential for loss of staked funds due to technical issues, security breaches, or other unforeseen events. The Company is not responsible for any such losses, and you agree to hold the Company harmless in the event of any such loss.

Company provides insurance for the soft slashed staked funds. Insurance policy is specified in the application "Terms of Insurance Policy."

Limitation of liability:

To the fullest extent permitted by law, the Company shall not be liable for any direct, indirect, incidental, consequential, or punitive damages arising out of or in connection with your use of the Service.

Termination:

The Company reserves the right to terminate the Service or your access to the Service at any time, for any reason, and without notice.

Governing law:

These Terms and your use of the Service shall be governed by and construed in accordance with the laws of the State of User jurisdiction, without giving effect to any principles of conflicts of law.

Changes to terms:

The Company reserves the right to modify these Terms at any time. If the Company makes any material changes to the Terms, it will notify you by posting the revised terms on the Company's website and/or by sending you an email. Your continued use of the Service after the revised terms become effective indicates your acceptance of the revised terms.

By using the Service, you acknowledge that you have read and understand these Terms and agree to be bound by them. If you do not agree to these Terms, you are not authorized to use the Service.

Terms of Insurance Policy

The Stakewolle (the "Validator") is pleased to offer its users (the "Users") insurance coverage for losses sustained due to technical issues, security breaches, or other unforeseen events arising out of or in connection with the User's staking of cryptocurrency on the blockchains listed on Stakewolle.com (the "Staking Activities") through the validator service (the "Service").

This insurance policy (the "Policy") is offered to Users of the Service at no additional cost and is automatically in effect for all Users of the Service.

The Policy covers losses sustained by the User no less than average of a transaction fee per blockchain and up to a maximum of 1% of staked assets per blockchain per User.

The Policy covers losses of staked amount. To get missed rewards Users should contact Validator in any clear written form via contacts listed on stakewolle.com no later than one month after the loss.

The Policy does not cover losses sustained by the User due to intentional acts or gross negligence on the part of the User.

The Policy shall be effective for the duration of the User's use of the Service and shall terminate upon the termination of the User's delegation.

By using the Service, the User acknowledges that they have read and understand this Policy and agree to be bound by its terms. If the User does not agree to the terms of this Policy, they are not authorized to use the Service.
